

PATIENT NAME:

A Patient's Guide To:

Ankle

- Ankle Anatomy
- Ankle Fusion
- Ankle Impingement Problems
- Ankle Sprain and Instability
- Ankle Syndesmosis Injuries
- Artificial Joint Replacement of the Ankle
- Osteoarthritis of the Ankle
- Peroneal Tendon Problems
- Peroneal Tendon Subluxation
- Shin Splints

Child Orthopedics

- Adolescent Osteochondritis Dissecans of the Elbow
- Back Pain in Children
- Blount's Disease in Children and Adolescents
- Clubfoot
- Congenital Flatfoot (Pes Planus)
- Developmental Dysplasia of the Hip in Children
- Jumper's Knee in Children and Adolescents
- Limping in Children
- Osgood-Schlatter Lesion of the Knee
- Panner's Disease of the Elbow
- Perthes Disease
- Rotational Deformities in Children
- Scoliosis
- Septic Arthritis of the Hip in Children
- Sever's Syndrome
- Slipped Capital Femoral Epiphysis
- Tarsal Coalition
- Transient Synovitis of the Hip in Children

Elbow

- Artificial Joint Replacement of the Elbow
- Cubital Tunnel Syndrome
- Distal Biceps Rupture
- Elbow Anatomy
- Elbow Fusion
- Interposition Arthroplasty of the Elbow
- Lateral Epicondylitis (Tennis Elbow)
- Medial Epicondylitis (Golfer's Elbow)
- Olecranon Bursitis
- Osteoarthritis of the Elbow
- Radial Tunnel Syndrome
- Ulnar Collateral Ligament Injuries
- Ulnar Collateral Ligament Reconstruction (Tommy John Surgery)

Foot

- Accessory Navicular Problems
- Achilles Tendon Problems
- Adult Acquired Flatfoot Deformity
- Bunionette (Tailor's Bunion)
- Bunions
- Claw Toes and Hammertoes
- Foot Anatomy
- Haglund's Deformity of the Foot
- Hallux Rigidus
- Ingrown Toenail
- Interdigital Neuroma (Morton's Neuroma)
- Osteochondritis Dissecans of the Talus
- Plantar Fasciitis (Heel Pain)
- Posterior Tibial Tendon Problems
- Sesamoid Problems
- Tarsal Tunnel Syndrome

General

- Arthritis
- Arthroscopy
- Cast Care
- Cumulative Trauma Disorder
- Fibromyalgia
- Gout
- Joint Injections for Arthritis
- Lyme Disease
- Medications for Arthritis
- Muscle Cramps
- Nutraceuticals (Dietary Supplements)
- Nutrition and Surgery
- Osteoarthritis
- Osteoporosis
- Postsurgical Infection
- Psoriatic Arthritis
- Rehabilitation for Arthritis
- Rheumatoid Arthritis
- Septic Arthritis
- Systemic Lupus Erythematosus
- Tendonitis
- Viral Arthritis

Compliments of Montana Spine & Pain Center

PATIENT NAME:

A Patient's Guide To:

Hand

- Arthritis of the Finger Joints
- Arthritis of the Thumb
- Artificial Joint Replacement of the Finger
- Artificial Joint Replacement of the Thumb
- Boutonniere Deformity of the Finger
- Carpal Tunnel Syndrome
- Dupuytren's Contracture
- Dupuytren's Contracture Surgery
- Endoscopic Carpal Tunnel Release
- Finger Fusion Surgery
- Guyon's Canal Syndrome
- Hand Anatomy
- Mallet Finger Injuries
- Mucous Cysts of the Fingers
- Open Carpal Tunnel Release
- PIP Joint Injuries of the Finger
- Resection (Excision) Arthroplasty of the Thumb
- Swan Neck Deformity of the Finger
- Thumb Fusion Surgery
- Trigger Finger and Trigger Thumb
- Ulnar Collateral Ligament Injuries of the Thumb

Hip

- Artificial Hip Dislocation Precautions
- Artificial Joint Replacement of the Hip
- Avascular Necrosis of the Hip
- Compression Fixation for a Fractured Hip
- Hemiarthroplasty of the Hip
- Hip Anatomy
- Hip Fractures
- Hip Pinning Surgery for a Fractured Hip
- Hip Resurfacing Arthroplasty
- Osteoarthritis of the Hip
- Rehabilitation Following Hip Fracture Surgery
- Revision Arthroplasty of the Hip
- Stress Fracture of the Hip
- Trochanteric Bursitis of the Hip
- Trochanteric Bursitis Surgery

Knee

- Anterior Cruciate Ligament Injuries
- Articular Cartilage Problems of the Knee
- Artificial Joint Replacement of the Knee
- Chondromalacia Patella
- Collateral Ligament Injuries
- Glucosamine and Chondroitin Sulfate for Osteoarthritis of the Knee
- Hamstring Injuries
- Hamstring Tendon Graft Reconstruction of the ACL
- Iliotibial Band Syndrome
- Knee Anatomy
- Meniscal Injuries
- Meniscal Surgery
- Osteoarthritis of the Knee
- Osteochondritis Dissecans of the Knee
- Patellar Tendon Graft Reconstruction of the ACL
- Patellar Tendinitis
- Patellofemoral Problems
- Pes Anserine Bursitis of the Knee
- Plica Syndrome
- Popliteal Cysts
- Posterior Cruciate Ligament Injuries
- Prepatellar Bursitis
- Quadriceps Tendinitis
- Revision Arthroplasty of the Knee
- Tibial Osteotomy
- Unicompartmental Knee Replacement
- Viscosupplementation for Osteoarthritis of the Knee

Pain Management

- Body Talk
- Chronic Pain and Nutrition
- Chronic Pain and Sleep
- Chronic Pain Management
- Complex Regional Pain Syndrome
- Epidural Steroid Injections
- Facet Joint Injections
- Injections for Pain
- Medication Approach to Chronic Pain
- Pain Management Medications
- Pain Pumps
- Piriformis Muscle Injections
- Radiofrequency Ablation
- Relaxation Training
- Sacroiliac Joint Injections
- Spinal Cord Stimulators

Compliments of Montana Spine & Pain Center

PATIENT NAME:

A Patient's Guide To:

Shoulder

- Acromioclavicular Joint Separation
- Adhesive Capsulitis
- Artificial Joint Replacement of the Shoulder
- Biceps Rupture
- Biceps Tendonitis
- Calcific Tendonitis of the Shoulder
- Cuff (Rotator) Tear Arthropathy
- Impingement Syndrome
- Labral Tears
- Osteoarthritis of the Acromioclavicular Joint
- Quadrilateral Space Syndrome
- Reverse Shoulder Arthroplasty
- Rotator Cuff Tears
- Shoulder Anatomy
- Shoulder Dislocations
- Shoulder Instability
- Snapping Scapula Syndrome
- Sternoclavicular Joint Problems
- Thoracic Outlet Syndrome
- Weightlifter's Shoulder

Spine - Cervical

- Anterior Cervical Discectomy and Fusion
- Cervical Artificial Disc Replacement
- Cervical Burners and Stingers (Brachial Plexus Injuries)
- Cervical Corpectomy and Strut Graft
- Cervical Discectomy
- Cervical Foraminotomy
- Cervical Laminectomy
- Cervical Radiculopathy
- Cervical Spinal Stenosis
- Cervical Spine Anatomy
- Dropped Head Syndrome
- Neck Pain
- Posterior Cervical Fusion
- Whiplash

Spine - General

- Adult Degenerative Scoliosis
- Diffuse Idiopathic Skeletal Hyperostosis
- Intraoperative Monitoring
- Nutrition and Your Spine
- Spinal Tumors
- Spondyloarthropathies

Spine - Lumbar

- Anterior Lumbar Fusion with Cages
- Anterior Lumbar Interbody Fusion
- Back Care Boot Camp
- Low Back Pain
- Lumbar Artificial Disc Replacement
- Lumbar Degenerative Disc Disease
- Lumbar Disc Herniation
- Lumbar Discectomy
- Lumbar Facet Joint Arthritis
- Lumbar Laminectomy
- Lumbar Spinal Stenosis
- Lumbar Spine Anatomy
- Lumbar Spondylolisthesis
- Lumbar Spondylolysis
- Piriformis Syndrome
- Posterior Lumbar Fusion
- Posterior Lumbar Interbody Fusion
- Sacral Insufficiency Fractures
- Sacroiliac Joint Dysfunction
- Treatment Guidelines for Low Back Pain

Spine - Thoracic

- Kyphoplasty
- Scheuermann's Disease
- Spinal Compression Fractures
- Thoracic Disc Herniation
- Thoracic Spine Anatomy
- Vertebroplasty
